Discussed the Flash in the Pan June 4th Combined Fundraiser

We have been offered a fundraiser concert by Flash for Monday June 4th. We will share the event with the Rainbow/Rosier Grange and The Brooksville Fire Department. Joan has made initial contact with Cindy Friend who agreed to have a small group figure out the duties. Joan will contact Matt Dow, Fire Chief. Responsibilities include getting the community center available for a rain date, publicity, food, and collecting donations.

The early date is unfortunate because school is not even out yet so that children will not come due to the later hour of 7-9pm. No summer folks have arrived. Still chilly at night with potential of bugs.

Nevertheless, Flash is kind to do this for us, so we will proceed with the planning but due to the above complications, we should not expect an significant amount of donations due to splitting among three groups and the early date.

Discussed Fifth Anniversary Fundraiser for the Breeze.

The date of Friday August 17th has been scheduled. The Tinder Hearth has agreed to make pizza to sell at the event. The school has agreed on the date and we will plan to have it in the school playgroup area. Hoot!! has agreed to play for the second half of the event which is tentatively scheduled from 4:30pm-6:30pm or later if the dancing to the music is fun. We are looking for other musical players to play the first half. Joan has asked Lake Larsson to see if she can provide music. This is our major fundraiser for the Breeze. We will ask for donations at the door with suggested price of ten dollars. We will advertise in the Breeze summer issue, in the Packet, and around town. Children will be able to play on the equipment. Hopefully, a fun time for Brooksville residents.

Varnumville Road Memorial Community walk

We discussed the annual walk and set the date for Sunday July 22. Tentative time is 8:15- 10:30pm. As previously, we will meet at the North Brooksville entrance and walk to the site of Michael's accident. There we will have a brief memorial service for those Brooksville residents who died in 2011. We will invite the families to walk with us. We hope again to have music and some readings. We will continue on to Tinder Hearth for coffee, tea, and croissants. We discussed changing the times and day but decided to keep it Sunday morning for a variety of reasons. Joan will talk with Matt Dow about having firemen stationed at both ends of the road.

Dates to remember June 4, July 22, Aug 17th. See above

Next meeting May 2nd, 2012 6:30-8:00. All welcome. Come chat with your neighbors.
