

Harbor Committee Meeting 1-15-19

Meeting convened at 6:15PM (late) because the chairman (town house key holder) was absent until called by other members.

Discussed Harbormaster Tom Perkins suggestion for a policy regarding removal of unregistered moorings. Tom will bring proposed wording for a policy to the next meeting. The unauthorized moorings at Hosmer's Ledge which raised the issue will be submerged with a bottom float attached so that they can be located should the owners be identified.

Discussion of state and federal grants available to help fund the proposed Betsy Cove improvements.

Discussion of upcoming meeting with budget committee

Discussion of Harbormasters new office. Chairman to explore getting phone and internet connections set up for harbormaster in the new space.

Discussion of replacement boat for harbormaster. Appointed Don Condon and Bob Vaughan (if he accepts) to head the effort to acquire a new boat and sell the existing boat.

Discussion of quotes from surveyors. Chair reported that he was still waiting for a written quote from surveyor in Deer Isle.

Discussion of process of using the database to create spring bills for moorings and dinghies. Chairman and Harbormaster to meet with Joanne Van de Reb to expedite the process.

Meeting adjourned at 7:10PM
