

# COMMUNITY DAY OF SERVICE

As part of our Day of Service, and in recognition of the importance of our population's health, friends and I are focusing our energies on providing

## **Organic, all-natural, and fresh foods** to the **Blue Hill Food Pantry**

Our first delivery day will be **Wednesday July 15th.**

**You can help by contributing food or with your financial support:**

\* Organic, all-natural, or farm-fresh food can be delivered directly to the Food Pantry on Wednesday afternoon between 11 am and 1 pm. Staples such as peanut butter, macaroni and cheese, maple syrup and 6-pk. juices are specifically requested. Fresh produce is always welcome.

\* Food donations can be dropped by SolarMarine LLC (498 Varnumville Rd) on Tuesday or (particularly if fresh produce) Wed.

\* If you'd prefer, we will gladly pick up donations at your home. To arrange a pick-up, please call Gloria Coomer at 266-3992.

\* Tax deductible financial donations allow The Food Pantry to purchase healthy foods. Make your check payable to "THE TREE OF LIFE", note "Day of Service" on the check and mail to
